

RFA WEBCAST

OCTOBER 16, 2024

“TRIPLE T: TRACEABILITY, TRIALS AND TRIBULATIONS”

Date and Time:

Wednesday, October 16, from 2:00 p.m.- 3:00 p.m. Eastern Time
(1:00 p.m.-2:00 p.m. CT, 12:00 p.m.-1:00 p.m. MT, 11:00 p.m.- 12:00 p.m. PT)

Overview:

This moderated roundtable will focus on two RFA member companies and their respective experiences in putting together their traceability plans. The session goal is to highlight several personal experiences on dealing with complicated, confusing, and annoying efforts that are required to build a compliant FSMA 204 traceability

program. Examples of progress, hiccups, and successes will be provided, including thoughts on software providers and on diverse ingredients and products, such as pickles, gelatin salads, baked beans, dips, spreads, and deli salads.

Presenter(s):

Laura McCready, Director of Food Safety, Reser's Fine Foods

Laura McCready is a seasoned food safety professional with over two decades of experience in regulatory affairs, food safety, and quality assurance. Currently the Director of Food Safety at Reser's Fine Foods, she oversees food safety across multiple facilities. Laura holds a Master of Science in Food Safety and a Certificate in International Food Law from Michigan State University, and is passionate about food safety advocacy and consumer protection.

Janet Rowat Kraiss, Technical Director, The Suter Company

Janet B. Rowat Kraiss is a dedicated food safety professional with over twenty-five years' experience, most within the refrigerated foods industry. She serves as the Chair of the Technical Committee and on the Board of Directors for the RFA and is the Technical Director for The Suter Company. Janet holds a Master of Science in Food Safety and a Certificate in International Food Law from Michigan State University and is a lead instructor for the Preventive Controls for Human Food program. Helping RFA provide education and training to its members is a core part of her work with RFA and she is committed to improving food safety throughout the industry. She lives in Aurora, IL with her husband, teenage kids, and pet menagerie.

How does the webcast work?

It's easy and convenient! It is a virtual seminar that you can "attend" and participate in right from your office. Webcasts are provided at **NO COST** to RFA members!

The RFA webcast will include live audio along with a slide presentation on the web. You just need a phone connection for the audio and an Internet connection.

To get the most out of a webcast, it is recommended that you have no more than five people at any one computer connection. If you have multiple locations, please register each location separately.
